About This Game

Welcome to the LifeBase a game where you will be able to destroy everything in your sight. From big wooden doors to small ceramic mugs. In the LifeBase you will be able to experienced everything in first person. The game isn't just about destruction.

Most object in the game will have a option to interact with them. Open doors, turn on water, have a sit, lay down and relax. Have a cup of coffee or watch TV, even do both. The game is what you want it to be, but if you get bored you can just destroy everything. Feel free to explore the entire apartment with different rooms and possibilities. But mostly Have Fun :)

Key Features

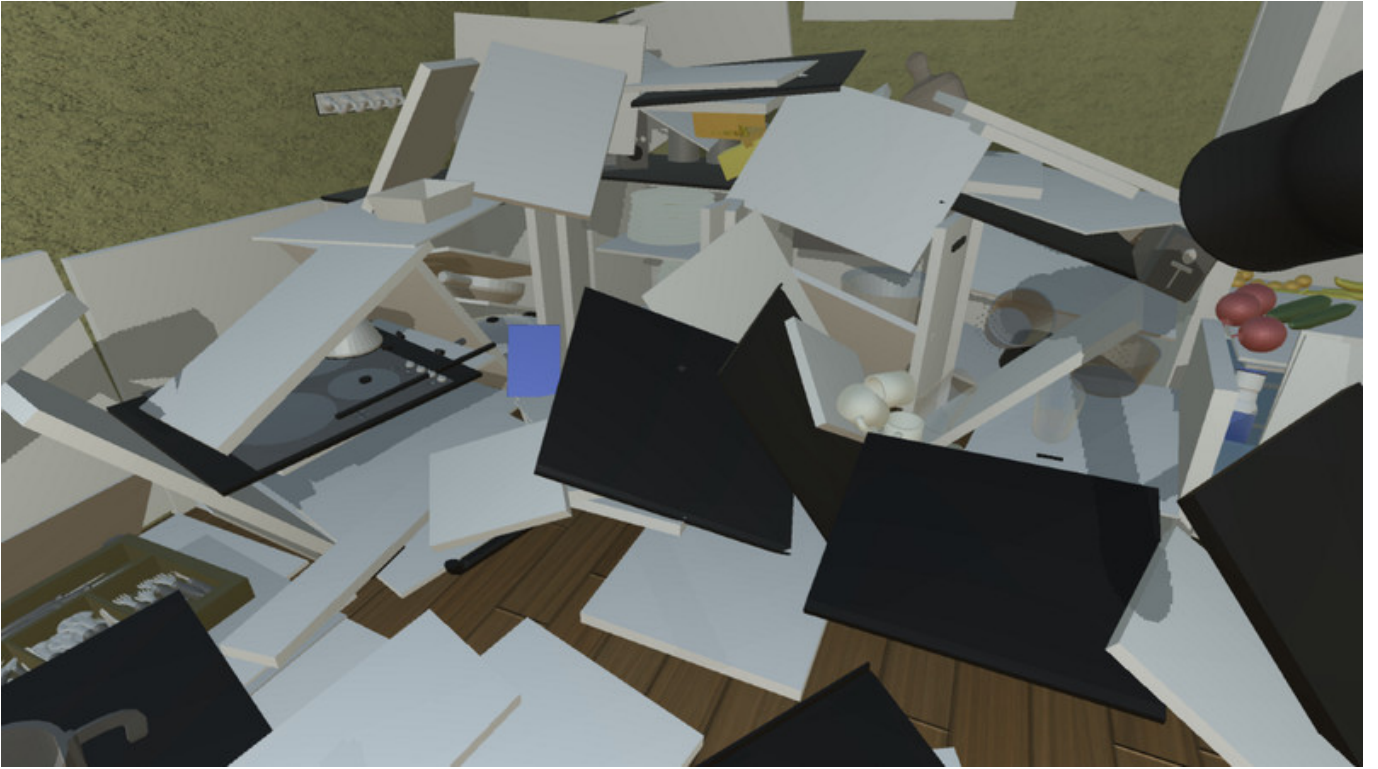

- Destruction
Destroy everything in your sight, from wooden door to small ceramic mug. Break household items into smaller pieces.
- Interacting
Interact with objects, open doors or turn on the lights and plenty more.
- Picking up
Pick up objects big or small, move them and drop them anywhere you want. Do anything you desire.
